I agree, yesterday was very productive and helpful for us as well. Appreciate all of you traveling to Harrisburg.

Thanks for the reminder. Find attached the summary I shared with you yesterday. This is still a work in progress to some extent as some of the names of chairs, members, etc. may/can change. Not all of the external folks have been contacted, so please do not share this outside of EPA.

Our meeting with our communications folks in the afternoon was equally productive. Results of that will be coming shortly. I think we have a clearer picture of a direction forward in that arena as well. I see another GANTT Chart in our future....

Nicki/Jill/Ted/Kristen-

Thanks to each of you for investing a morning meeting with your EPA colleagues—very productive. I came away with a much, much better understanding of the path forward in developing Pennsylvania's Phase III WIP and how, when, and where your EPA colleagues can get directly engaged as well as provide support. Lucinda will be sharing her summary of our discussions, points of agreement and next steps.

Nicki-

Thanks in advance for sharing an electronic copy of your excellent description of Pennsylvania's Phase III WIP plan with us.

Thanks, Rich
